

The Blackpool Sixth website supports accessibility and is committed to ensuring everyone can access the information available.

Searches

You may find it easier to find the information you require by using the keyword search located at the top right of the pages.

Text Size

Some users might find the site easier to read by increasing the size at which text is displayed. To do this you will need to access your system settings. If you use Internet Explorer follow: Toolbar > View > Text Size. If you are using

Safari follow: View > Zoom Text Only > Larger.

Images

The majority of content images used in this site include descriptive ALT attributes. These provide information about the image for visually impaired users and those using speech synthesizers. Complex images (where applicable) include LONGDESC attributes or inline descriptions to explain the significance of each image to non-visual readers.

Downloads

The Blackpool Sixth Form College website contains PDF documents that can be opened using Adobe Acrobat Reader. This is available for free download at www.adobe.com. Visually impaired visitors may find the Read Out Loud function useful. To activate this function, select View and Read Out Loud. Enhanced formats of all of the college's publications, including large print, are available on request by emailing nicola.kelly@blackpoolsixth.ac.uk

If you need further assistance finding information about studying here, or any aspect of activities at The Blackpool Sixth Form College, please email our additional support team at the Focus Centre on learningalert@blackpoolsixth.ac.uk or call 01253 394911.
